018019

Date 21 November 1984OLL No. 84-3672/ 7HILL CONTACT Nora Breidenbach Staff Asst. 225-6661COMMITTEE/MEMBER Congressman Frank AnnunzioSUBJECT Applicant Status ACTION OFFICER 

**SUMMARY:** Another letter from Congressman Annunzio (CIA's latest response dated 13 November, this letter 16 November). I wanted to explain to Nora that it will be sometime -- possibly 4 to 6 weeks before we will be able to make a preliminary determination, and, if there is interest, it might take as long as 4 months to complete medical, background investigation, etc.

Nora said it was office policy to be kept abreast, in writing, of what disposition of request/inquiry is relating to constituents. She needs a response to the letter of the 16th, and also wants letter after the 4-6 week period (if decision is made then) and/or when and if he is hired or not.

I asked if it were sufficient my informing her in the 4-6 week time frame after the preliminary determination might be made. She responded she needs answers to this letter and in 4-6 weeks...that is office policy.

**ACTION ITEMS:**

O/P advised okay to say in writing what I had given to Nora over the phone.

M.E. to prepare letter.
